MASONIC DAY IS BEING PLANNED FOR BEECHWOOD

August 15th Selected as "Masonic Day" at Beechwood Park — To Be First of Series Fraternal Days To Be Held This Summer

The management of Beechwood Park announces that Friday, August 18th, has been set aside as "Masonic Day" at the park. This proposition has been endorsed by Maysville Lodge of Masons and all other Masonic lodges in Mason and adjoining counties are to be invited to participate in the big celebration.

The managers of Beechwood expect to have a big Masonic moving picture for display and the present Grand Master of the order in Kentucky or one of the Past Grand Masters will be invited to make an address during the day. It is expected to start the celebration at 2 p. m. and continue it throughout the evening with many added features as well as the regular park amusements.

There will be a flat gate charge made to all Masons and the members of their families and a part of the proceeds of the day will be contributed by the management of the park to the Kentucky Masonic Widows and Orphans Home at Louisville.

Similar celebrations or "Days" for the other local fraternal orders in the interest of their orphans' homes will follow the Masonic celebration if the local orders desire to co-operate in this manner to make a substantial contribution to their worthy institutions.

Full particulars of "Masonic Day" will be announced as soon as the name of the speaker for the day and the several features have been fully arranged, by the management of the Park and the committee representing Maysville Lodge of Masons.

FORMER LOCAL PASTOR GOES TO NEW CHARGE

The Public Ledger has been shown a copy of the bulletin of the First Presbyterian church of Lincoln, N. C., to which church the Rev. W. W. Akers, former pastor of the Central Presbyterian church of this city, was recently called from Fayetteville, Tenn. The Bulletin carries a picture of the church building which is a very large and attractive one. As at Maysville, so at Fayetteville, Rev. Akers and his splendid family stamped themselves upon the community and they were very sorry to lose them. As an expression of their appreciation, Mrs. Akers was presented with a beautiful string of pearls.

NOTICE ODD FELLOWS.

Regular weekly meeting of DeKalb Lodge No. 12, I. O. O. F., will be held Tuesday evening at 7:30 o'clock at the hall in Second street. All members are urged to attend and visitors will be made welcome.

BIG SUIT FILED BY HEIRS OF MRS. WALLINGFORD ESTATE

Bank of Maysville, James N. Kehoe, Mike Brown and Miss Mary Crow Made Defendants in Suit in Federal Court.

Buckner W. Anderson and Rebecca A. Perin, heirs of the late Mrs. Kate Wallingford of this city, are the plaintiffs in a suit brought Tuesday in U. S. District Court at Covington against the Bank of Maysville, James N. Kehoe, Mike Brown and Miss Mary Crow, all of this city, in which they ask judgment against the defendants in the sum of twenty-four thousand dollars (\$24,000) and costs charging that the defendants combined together "to defraud the said Kate Wallingford and her estate and the residuary legatees under her last will and testament of large sums of money and other things of value by procuring not only control over her personal property and personal estate but also control over the person."

Petition says in part: "Plaintiffs have been informed and believe, and therefore allege, that in the year 1918 or thereabouts, well knowing her physical and mental condition as aforesaid, and that the said Kate Wallingford was possessed of a large amount of personal property as well as some real estate situated in the City of Maysville, the defendant, Bank of Maysville, by its President, James N. Kehoe, and said Kehoe, Brown and Crow did maliciously, unlawfully and wickedly conspire, combine, confederate and agree together, between and among themselves, to defraud the said Kate Wallingford and her estate and the residuary legatees under her last will and testament of large sums of money and other things of value by procuring not only control over the personal property and personal estate of said Kate Wallingford, but also control over the person of the said Kate Wallingford, to the end that they together might successfully guide not only the actions but also the opinions of said Kate Wallingford, deceased, whose mental and physical conditions were gradually growing weaker; that in order to perfect such conspiracy to defraud, as planned and plotted by them, said defendants, Bank of Maysville, by its President, James N. Kehoe and said Kehoe, Brown and Crow, maliciously, unlawfully and wrongfully entered into an agreement, each with the other, by which it was agreed that the defendant, Mary Crow, should so conduct the household of said Kate Wallingford that relatives of the said Kate Wallingford and many of her old friends and acquaintances should be excluded from contact with the said Kate Wallingford and from admittance to her residence; that the defendant, Mike Brown, should act as chauffeur and personal body guard for said Kate Wallingford and that the defendant, Kehoe, should displace other trusted friends and business advisers of the said Kate Wallingford, whereby said defendants did in fact succeed in so controlling the person and affairs of the said Kate Wallingford as to keep her live the life of a recluse, coming in contact only with such persons as said defendants believed would not interfere with their joint undertaking and conspiracy to defraud her and her estate and the residuary legatees under her last will and testament."

"Plaintiffs have been informed and believe, and therefore allege that at the time the defendant, Bank of Maysville, by its President, James N. Kehoe, and said Kehoe, Brown and Crow secured control over the said Kate Wallingford and her property, as aforesaid, she was possessed among other things of One Hundred Thousand Dollars (\$100,000), face value, of registered bonds of the Government of the United States, which said bonds consisted of Fifty Thousand Dollars (\$50,000) in four per cent. bonds of the issue due in 1925, and Fifty Thousand Dollars (\$50,000) of the issue of two per cent. consols due in 1930; that in pursuance of said combination and conspiracy and to accomplish the purpose thereof, as hereinbefore set forth, the said defendants induced the said Kate Wallingford to sell registered bonds of the Government of the United States so as to enable them the more easily to manipulate her affairs and impose upon her, whereby, acting under the influence and control of said defendants, the said Kate Wallingford did, in the month of July, 1920, sell all of the Fifty Thousand Dollars (\$50,000) worth, face value, of two per cent. consols due in 1930, and, whereby, acting under the same influence and control, she was induced to sell and did sell in the month of October, 1920, Fifteen Thousand Dollars (\$15,000) worth, face value, of four per cent. bonds due in 1925; that at the time of the sale of said bonds 2% consols were worth in the market in excess of one hundred cents on the dollar of face value, and said 4% bonds were worth one hundred and five cents on the dollar of face value."

"Plaintiffs have been informed and believe, and therefore allege that none of the funds arising from the transfer and sale of the said bonds, amounting in face value to the sum of Sixty-Five Thousand Dollars (\$65,000) and in market value to about Sixty-Five Thousand Dollars (\$65,000), ever came into the hands of the said Kate Wallingford or into her personal checking account with the defendant, Bank of Maysville, but that some of said funds were used in the purchase for the account of said Kate Wallingford of fifty shares of the capital stock of defendant, Bank of Maysville, and Thirty-nine Thousand Dollars (\$39,000), face value, of unregistered Victory Bonds of the Government of the United States; that in pursuance of said combination and conspiracy and to accomplish the purpose thereof, as hereinbefore set forth, the defendant, Bank of Mays-

ALLEGED MURDERER ESCAPES THROUGH CAR WINDOW

Prisoner Being Returned to West Virginia to Face Murder Charge Jumps From C. & O. Train at Vanceburg.

Local police were asked over long distance telephone by Lewis county authorities Monday night, late, to search C. & O. freight trains for a prisoner who escaped from C. & O. train No. 4 Monday evening at Vanceburg. The sheriff of Fayette county West Virginia, was returning home with a prisoner arrested at some point in Ohio on a charge of murder. The prisoner was handcuffed but when the train neared Vanceburg the prisoner asked that one of his hands be released and the cuff was removed from the right arm. As the train slowed down for Vanceburg, the prisoner jumped through a window and made his escape.

Persons who saw the man jump from the train said that he boarded a west bound freight train. Local officers searched all freights passing west until daylight and found no one who answered the escaped prisoner's description.

Mr. Robert N. Hoefflich, who recently resigned as manager of the Maysville Suit & Dry Goods Company, left Monday on a fourteen-months trip around the world. Mr. Hoefflich will spend some time in the Grand Canyon and in California before sailing on August 12th from San Francisco. He has so arranged his trip that he will spend Christmas in Jerusalem and Easter in Rome.

Hon. H. C. Duffy, of Cynthia, candidate for the Democratic nomination for Congress in this district, was in Maysville Tuesday in the interest of his campaign.

ville, by its President, James N. Kehoe, and said Kehoe, persuaded the said Kate Wallingford to purchase the said fifty shares of the capital stock of the said defendant Bank for the sum of Twelve Thousand Five Hundred Dollars (\$12,500) which said shares of stock defendant Kehoe held as trustee for defendant bank; that said sum so paid was greatly in excess of the book value or the real value of said stock; all of which was well known to said Kehoe and other officers and directors of said bank; that said sum of Twelve Thousand Five Hundred Dollars (\$12,500) was Five Thousand Dollars (\$5,000) in excess of the real value of said stock; that said United States Victory bonds could and should have been purchased for not more than Thirty-seven Thousand and Fifty Dollars (\$37,050) and in the handling and manipulation of the funds arising from the sale of said registered United States Government bonds as aforesaid, the defendants, Bank of Maysville and James N. Kehoe, defrauded the said Kate Wallingford and her estate of a large sum of money, to-wit: Twenty-one Thousand Four Hundred and Fifty Dollars (\$21,450)."

"Plaintiffs have been informed and believe, and therefore allege that in pursuance of said unlawful combination and conspiracy to defraud and to accomplish the purpose thereof, as hereinbefore set forth, the defendant, Bank of Maysville, on the 23d day of March, 1920, without any authority so to do, turned over to the defendant, Mary Crow, unregistered United States Government Liberty bonds of the face value of Two Thousand Five Hundred and Fifty Dollars (\$2,550) the property of said Kate Wallingford, which said bonds had been placed in the custody of said Bank of Maysville for safe-keeping by the said Kate Wallingford; that said bonds were retained by said defendant, Mary Crow, and that by said action the defendants, Bank of Maysville and Mary Crow, defrauded the said Kate Wallingford and her estate of the value of said bonds, to-wit: Two Thousand Five Hundred and Fifty Dollars (\$2,550)."

S. S. INSTITUTE TO BE OPENED HERE ON NEXT SUNDAY

Institute for Sunday Schools of the Bracken Baptist Association to be Held for a Week at the Local Baptist Church.

On next Sunday a Sunday School Institute for the benefit of the several Baptist Sunday schools within the bounds of the Bracken Association will open at the First Baptist church in this city. The institute will be in charge of the Rev. W. A. Gardner, of Louisville, Sunday School Secretary of the Kentucky General Association of Baptists.

Mr. Gardner's assistants in this institute will be his wife and Miss Frost, all of whom are experts in the work. Miss Frost is a daughter of the late Rev. Dr. J. M. Frost, many years ago pastor of the local Baptist church and at the time of his death secretary of the Sunday school board of the Southern Baptist Convention. She is an expert in Intermediate Sunday school work and will teach a daily class in this work. Mrs. Gardner will give special attention to Beginners and Primary work while Mr. Gardner will give his attention to the Adult work.

Sessions will be held each evening next week at 7 o'clock and besides the teaching of the Institute lesson in each department, there will be a daily address by one of the workers to which the public will be invited.

It is understood that many of the local Baptist Sunday school workers will attend the institute and most every church in the Bracken Association within easy reach of Maysville, will have their teachers here for the week's course.

ANOTHER CARNIVAL COMING.

The advance manager for the World of Mirth Shows was in Maysville Tuesday and rented a part of the Forest avenue ball park for the exhibition of his shows which are coming to Maysville probably Wednesday from Huntington, W. Va. The shows are said to consist of twenty cars carrying fourteen shows and four rides.

RAY OVERLEY DIES AFTER OPERATION; STRUCK BY BAT

Son of Former Local Methodist Pastor Dies in Cincinnati Hospital—Had Been Injured in Baseball Game.

Ray Overley, aged 22, eldest son of Rev. E. R. Overley, pastor of the Grace M. E. church, Newport, and former pastor of the Third Street M. E. church, this city, died Monday night at the General hospital, Cincinnati, following an operation to remove an abscess from his brain.

Young Overley was struck on the head with a baseball bat while playing ball at the Sue Bennett Memorial School, London, Ky., several weeks ago. He was a student at the London school this year and the injury he sustained was an accident. He was removed to Newport immediately following the accident and has been a patient in the Cincinnati hospital since July 2nd.

The young man was a member of the Newport Lodge of Odd Fellows which order will hold services at the Newport home Tuesday evening. The body will be taken to Carlisle Wednesday afternoon for burial. Funeral and burial will be made Thursday morning.

NEW SCHEDULE.

President Thomas M. Russell of the Blue Grass League Monday announced the schedule for the second half of the league each club to play forty games the remaining half. Three days of constant work was necessary to make the arrangements in the schedule comply with the demands of the different clubs. Lexington demanded 10 Sunday games which was granted as well as 12 Saturday games. Cynthia did not wish Saturday games and so was relieved of those. Maysville got 6 Sunday games, 7 Saturday and 8 Thursday games and a game on Monday, Labor Day, September 4.

The schedule as announced by the president is found on page 3 of this issue. In several days those who desire a copy may call at this office and receive a schedule in condensed form.

The expert degree team of Pisgah Encampment No. 9, I. O. O. F., conferred the Royal Purple degree upon two candidates at the semi-monthly meeting held Monday evening. There was a very large number of members in attendance.

ADAMS COUNTIAN AND WIFE KILLED IN AUTO WRECK

Floyd Jones and Wife Killed But Their Two Children Escape Injury As Automobile Plunges Over Embankment.

Returning home from an ice cream supper given at Beach Hill, Adams county, Floyd Jones and his wife, Mrs. Flora Newman Jones, were instantly killed when their automobile went over a steep embankment Saturday night. The machine was completely wrecked but their two sons, Raymond, aged 4, and Dale, aged 8, who were in the machine with their parents, escaped without a scratch.

The accident happened near the village of Wamsleyville at about 10:30 o'clock. The machine was moving at a rapid rate of speed. As it turned a sharp curve in the road, Mr. Jones lost control and the large car plunged over and pinning both Mr. and Mrs. Jones beneath the wreckage. Mr. Jones' neck was broken and Mrs. Jones' body was badly crushed.

The family is very prominent in the section of Adams county just north of Manchester and Mr. Jones was a very prosperous farmer.

SCHOOL RALLY AT LEWISBURG SUNDAY.

There will be a big rally at Lewisburg Sunday afternoon in the interest of the new Lewisburg consolidated school. The Maysville Cardinal Band will furnish music for the big gathering.

BACK FROM BIG TRIP.

Mr. and Mrs. A. G. Stewart and family have returned from a trip to Oklahoma City, Okla., and other Western cities where they spent their vacation in a visit with relatives and friends.

Mrs. John Walsh and Clay McNutt came in Monday evening from Newport, Ky. They report Mrs. McNutt, who has been so dangerously ill, to be now on the road to complete recovery.

Bruce Dudley, sporting editor of the Louisville Herald, is spending his vacation with his family at Flemingsburg.

RATES IN ADVANCE: By Carrier or Mail, \$3 per year; \$1.75, Six Months; 40 Cents per Month.

OUR POLICY:

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the county as a whole.

THE SUNDAY SCHOOL LESSONS.

THE PUBLIC LEDGER last week resumed the weekly publication of notes on the International Sunday School Lessons which were left off at the removal of Rev. Dr. J. J. Dickey from Maysville. For several years Dr. Dickey conducted this weekly feature for this newspaper and we are of the opinion that it did much good.

We have found a successor to Dr. Dickey as editor of this department in Rev. C. H. Rayl, the aggressive young pastor of the Second M. E. Church, South. His first notes were very interesting and we have heard many compliments on them from our readers.

We believe these notes are worth while not only as aids to those who regularly attend Sunday school but we know there are scores who attend no Sunday school except, perhaps, on Go-to-Sunday-School-Day. We believe therefore, that there will be many read these articles and profit thereby who would not otherwise have studied the Sunday school lesson.

We invite you to join the PUBLIC LEDGER'S Sunday school class, the largest in the city, each Friday and we are certain you will find Rev. Rayl an interesting teacher.

COMMUNITY CLUB NEEDED.

The need of an organized club of some name through which community improvements and problems might be discussed, was expressed at a recent luncheon given by the Civics Committee for the interest of the American Legion Chautauqua. This need has long been felt by many in Maysville and it is to be hoped that the expressions of those interested at this luncheon will take some concrete form in an attempt to interest others in such an organization.

Those who were fortunate enough to attend the several meetings of the Community Club organized here about a year ago, for which Miss Alice Lloyd was sponsor, know that much is to be obtained from even such local organizations. From an organization such as a branch Rotary, Kiwanis or Lion club, the city would greatly profit as well as the individual members.

The luncheons given by the Civics Committee in the interest of the Legion Chautauqua are having a far greater influence than those who originated them had even hoped for, and this demonstrates the worth of such occasional meetings of our thinking and patriotic citizens about the banquet board.

Let's have a Community Club and one that is linked with some great national organization.

A FITTING TRIBUTE.

The National Memorial University Association is endeavoring to finance a great National University as a memorial to the heroic Americans of the World War. No more fitting memorial could be erected than an institution devoted to higher learning and specializing in diplomacy and international relations.

Mrs. L. H. Veale, chairman of the Maysville Civics Committee, has been induced to become chairman for Mason county and from Mrs. Veale's well known zeal and fidelity to the interests of ex-service men, it is known that Mason county will be properly represented on the state committee and that the university's need and worth will be properly presented to the people at home.

This movement deserves the endorsement of all who would erect a permanent and fitting memorial to the World War dead which shall continue to be of incalculable value to America throughout the future years.

CUT OUT THE CUT-OUT NOISES.

Judge Yeatman, of Cincinnati, is fining automobile drivers who open their cut-outs twenty-five dollars and costs and it's certainly going to have its effect and stop the unnecessary noises. Maysville is infected with a lot of sap-head auto drivers who think they can't ride without their cut-out open. It's against the state law and we venture to suggest to Chief Mackey that a few arrests and convictions might also rid this town of this terrible nuisance as it is riding Cincinnati of it.

BRITAIN PERTURBED

Dispatches from London are to the effect that the American ship subsidy bill, now pending in Congress, is causing "grave perturbation" in British shipping circles. This is good news and if any additional testimony was needed as to the soundness of that measure it is furnished in the London report. The law was drafted to strike consternation into the hearts of British shipping, and we are glad if it is achieving its purpose. It is the intent of American ship operators to capture as much of the British carrying trade as they can, and with the assistance given by the subsidy bill they are confident the relative positions of the United States and Great Britain on the seas will be speedily reversed.

OFF TO A BAD START

The conferences at The Hague appear to have been wrecked even before they were fairly under way. The Russians insist that the question of credits for Russia be first discussed, after which they are willing to talk about debt and the rights of private property. That practically means that Russia demands a substantial loan, and after it is granted she will consider the matter of security. Of course such a sequence of subjects is impossible, and The Hague meeting is doomed to follow the Geno parley to disaster unless wiser counsels prevail.

The railroads have purchased about 80,000 new freight cars in the first five months of this year, which is about three times the number bought during the whole of 1921. It was the certain prospect of increased business and general prosperity that dictated those investments.

SUMMER ALFALFA SEEDING BEST DONE AUGUST 10 to 20.

Lexington, Ky. — Under favorable moisture conditions, the summer seeding of alfalfa is best done in Kentucky from August 10 to 20, according to George Roberts, head of the agronomy department of the Kentucky Agricultural Experiment Station. When seeded at this time of the year, the crop usually follows wheat, oats, rye, early potatoes or any other crop that comes off early. Farmers who expect to seed alfalfa this summer should prepare the

ground for it as early as possible, Mr. Roberts says.

"The ground should be broken six or seven inches deep and worked down to a well pulverized, firm condition. It usually is a good plan to precede the breaking by disking. At this time of the year it is also usually advisable to drag or harrow each day's breaking in order to pulverize the clods before they dry out. The soil should be harrowed after rains in order to conserve moisture. It also is desirable to harrow whenever young weeds or grasses appear since alfalfa does not thrive in their presence.

"If the ground is to be limed it is a good plan to put the material on as soon as the ground is broken so that subsequent preparation will help distribute it through the soil. Unless the soil is known to be naturally supplied with lime, this material should be applied at the rate of three or four tons of ground limestone an acre or one-half this amount of burned lime.

In all parts of the state outside of the central bluegrass region it is desirable to apply from four to five hundred pounds of acid phosphate an acre. This may be done any time after the limestone is applied and previous to seeding and should be harrowed into the soil.

"Just before seeding, it is a good practice to harrow and roll the ground. The seed should not be covered any deeper than is necessary to get it in

contact with moist soil and in no case deeper than one and one-half inches. If it turns dry after seeding, rolling may help. The sub-surface type of roller is best for this purpose.

MONTHS OF SUFFERING

How a Baltimore Girl Recovered Her Health

Baltimore, Maryland.—"For several months I suffered with severe backache and general weakness. I could not sleep comfortably at night for pains in my back. I found your book at home one day and after reading it began at once to take Lydia E. Pinkham's Vegetable Compound. I have had very good results and some of my girl friends are taking it now. You may use this letter to help other girls, as the letters in your book helped me."—ROSE WALKER, 3018 Roseland Place, Baltimore, Md.

That is the thought so often expressed in letters recommending Lydia E. Pinkham's Vegetable Compound. These women know what they have suffered, they describe their symptoms and state how they were finally made well. Just plain statements, but they want other women to be helped. Lydia E. Pinkham's Vegetable Compound is a medicine made from medicinal roots and herbs, and without drugs, to relieve the sickness women so often have, which is indicated by backache, weak feelings, nervousness, and no ambition to get anything done or to go anywhere. It has helped many women. Why not try it?

HELPTHE OLD FOLKS A Helping Hand Extended to Many Old People in Maysville.

The infirmities of age are many. Most old people have a bad back. The kidneys are often weak. Or worn out with years of work. Backache means days of misery. Urinary troubles, nights of unrest. Doan's Kidney Pills have helped to make life easier for many.

The rare doing so for old and young. Maysville people are learning this. Read the following local endorsement: Charles Kennan, retired farmer, 81 Wood street, Maysville, says: "I have used Doan's Kidney Pills several different times within the last few years and never had them fail to do me good. My kidneys were in bad shape. The secretions were unnatural and burned terribly in passage. My back kept me in misery during the time the attack lasted and I was feeling generally run down. I went to Wood & Son's Drug Store and got a couple of boxes of Doan's Kidney Pills and began using them. Doan's reached my case at once and cured me up in good shape. I have always relied upon Doan's since and a few now and then regulate my kidneys and keep them in good condition." Price 60 cents, at all dealers. Don't simply as for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Kennan had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

TROOPS BRING PEACE TO KENTUCKY MINES.

Madisonville, Ky., July 10. — Coal mines in this vicinity presented the appearance of an army camp today, following arrival of 75 state troops under command of Major C. R. Smith, Bowling Green.
Four machine guns were mounted on four hills commanding tipsles and mine machinery.
Judge C. C. Givens, who asked for troops, said he expected no fighting. "From conservative union men I learned miners were planning an attack here," Judge Givens said. "We

might have had another Horrigan (Ill.) massacre."

REPORT MADE TO FISCAL COURT ON ROAD PROSPECTS

Commissioners Will Oil Mile of Germantown Road for Fair Company—Bills Against the County Are Allowed

The regular semi-monthly meeting of the Mason Fiscal Court was held at the court house Tuesday and considerable business was transacted.

The special committee on road improvement reported to the Commissioners on their trip Monday to Frankfort where they called on the State Road department to learn what assistance that board will give the county. They report that while the state department will be limited in finances next year, they promised to aid Mason county to its limits.

The Commissioners agreed to purchase a tank of crude oil which they will contribute to the Germantown Fair Company, that company agreeing to spread it on a mile of the Germantown road in front of the fair grounds.

The Commissioners paid two rewards of fifty dollars each for the capturing of moonshine stills.

FIRST HALF AVERAGES BLUEGRASS LEAGUE

Sunday's Lexington Herald contained the official averages of the Blue Grass League as compiled by the league statistician with the exception of Saturday's game between Lexington and Mt. Sterling.

The Cardinals finally pulled up to third place in club hitting after a very poor start as well as falling from first place in fielding. Connolly is well near the top in batting while Class is easily the slugger of the circuit with a total of 51 bases to his credit though he has not done much of late in the slugging end. The Cards also excel in base stealing, with 43 sacks, their nearest rival is Lexington with 37. Former claiming individual honors with 19 steals.

Bell has not played in sufficient

games to break into the averages but the required eight games will be reached by him next Sunday when the dope will be given out again. Records for the second part of the season will be added on to the previous records of the first portion.

LEWIS COUNTY MAN KILLED BY TRAIN AT C. & O. DEPOT

Robert Irvine, of South Manchester, Killed Instantly When Struck By Freight Train at Local Depot Monday Night.

Robert Irvine, aged 22 years, of Trinity, Lewis county, was killed instantly at the local C. & O. depot Monday night at about 9:30 o'clock when struck by a freight train. His skull was fractured, his jaw broken and his head and legs badly lacerated.

Young Irvine was sitting on the concrete curbing along the depot with his head in his hands when the freight train came into the depot. He evidently did not hear the approach of the train. The cylinder on the engine first struck his head and he was knocked under the train. The body was dragged for some distance but the wheels did not pass over any part of his body as no member was severed.

Railroad physicians Yazell and Taylor were called but upon their arrival they found the young man dead.

For more than an hour he could not be identified but near 11 o'clock a young man walked into the morgue, to which place the body had been moved by the coroner, and identified the dead man as his pal. The young man who identified the body as that of Irvine's was Dewey Mynear, also of Trinity, Lewis county. He said that he and Irvine had delivered a horse Monday at Washington. He had been in a Market street pool room while Irvine and a Maysville boy, who Meyer did not know, went down the street. Young Meyer said that Irvine was unmarried and lived with his sister, Mrs. Edward Auxier, near Trinity. His parents are dead.

Young Mynear on Tuesday morning admitted that he was sitting with Irvine when he was struck by the train but said he was so excited that he ran and did not realize what he was doing until he had come up town. He said that both he and Irvine were sitting on the curbing awaiting a train and

that they both fell asleep. Irvine's brother, Carlos Irvine, his brother-in-law, C. R. Auxier, and his cousin, Oscar Bell, arrived here Tuesday and claimed the body which was removed to the home of his sister at Trinity. Coroner Higgins and a jury held an inquest Tuesday afternoon.
